Work Experience

Site Manager

Vinci

January 2019 to Present

Finishing Foreman Hull University Vinci Construction UK

Presently employed with Tier 1 Contractor Vinci Construction, near to completion of a £115 million project of student accommodation comprising of a total of 9 blocks. I have been responsible for the completion of 2 blocks, 190 en-suite rooms. These blocks also comprise kitchens and disabled access rooms. Other responsibilities include;

- Experienced with SnagR to monitor the progress of this complex project and Site Audit Pro where I record all issues, take photos, add assignees and customise reports.
- I adhere to all NHBC standards, completing RAMS and ensure site is H&S compliant.
- I ensure all sub-contractors are compliant to schedule of works set out by the contractor and work completed to an exacting standard.
- Proficient with Microsoft Word and Excel and emailing subcontractors to set up time scales and answer any queries.

lead trade, I saw through from site set up, strip

Ivy Restaurant - Leeds

October 2016 to January 2019

October 2016 - January 2019 Self Employed Site Manager

After having relocated to Yorkshire, I worked for select agencies, employed on a variety of projects throughout the region. Most recently completed the Ivy Restaurant refit in both York and Leeds; from strip out to hand over. These were both in listed buildings and was able to adhere with confidence to all specifications demanded.

Previously, I was based on the Allenthorpe Golf Club project for a 5 month period. As lead trade, I saw through from site set up, strip out to hand over.

I have just completed a 2 month private project on a domestic property, overseeing from design, organisation and complete refit of a kitchen diner in a Victorian property. Able to stick to a very strict budget and demanding customer, project completed to an excellent finish.

Other projects include the completion of a 3-month project of Carluccios Italian Restaurant in a listed building in York. Working to a strict timescale I was able to ensure that all deadlines were met and achieved and adapting fittings to ensure that I met with strict listed building regulations.

Site manager/ Shopfitter

NJF Shopfitters - Oxford

February 2015 to October 2016

Oxford

Working in various shop fit outs in Bicester Village including; White Stuff Stores, Kate Spade and Gucci. This demanded high end finishes and detailing.

I was sole Carpenter on a 3-month fit out on The Oxford Wine Company, Wine Bar. This was a great project as I was able to meet various design challenges and put them into practical capabilities. This included a 3 meter wall made of wine bottles, an oak clad staircase and a lighting feature that covered a wall made from recycled wood pallets.

WFC - London

February 2011 to February 2015

London

High-end shop-fitting carpentry duties on projects in central London, including 2 restaurants in the Shard on 31st and 33rd floor.

Budda Bar restaurant in Knightsbridge, Aubaine Restaurants and the refurbishment of the VIP boxes at Lords Cricket Ground.
