Personal Statement.

An ambitious hardworking individual who is looking to progress into a Site manager role whilst continuing my part time Construction degree at University. During my degree I have developed an excellent eye for detail, due to the heavy demands of assignments and research. As a result, I am also able to work under pressure. Especially when balancing my educational workload with my full-time job. I come from a strong Construction background that has given me a wide range of experience.

Key Skills.

- Excellent fault finding and problem-solving skills
- Ability to take the initiative and work well under pressure, ensuring strict deadlines are met
- Flexibility, whilst maintaining enthusiasm and commitment to each project
- Proficiency in all areas of Microsoft Office, Excel, Word and Power-Point
- CITB Qualified Site Safety Plus – SMSTS and CSCS Card
- An understanding of NHBC and CML
- A sound knowledge of Safety, Health and Environment

Education.

Lytham St. Annes High Technology College

(1994 – 1999)

9 GCSEs, Grade C, Maths and English

Preston's College

2018 – Present
