DESIGN EXPERIENCE

DIGITAL DESIGNER @ NET22

January 2015 - Present

I provide creative solutions by designing data-driven interfaces and experiences for responsive e-commerce websites. Other responsibilities include wire-framing, user testing, information architecture, creating identities, email design, and marketing collateral.

DESIGNER @ BIG ART AND BANNERS

September 2014 - Present

I liaise with a wide variety of clients to provide print knowledge and design solutions for large format graphics. Designs vary from following brand guidelines, to creating eye-catching visuals from a blank canvas that are fit for purpose.

DESIGNER @ MACHURIAN

February 2014 - September 2014

Voluntary basis working on all types of print and web collateral from logos, brochures, and digital. It was here I developed my passion for web design, experiencing various platforms and gaining working knowledge of HTML/CSS.

DESIGNER @ LEARNERVERSE

May 2012 - September 2014

A 5 week placement that lead to regular freelance work which involved applying the company framework to fit clients branding in order to sell their e-learning platform.

EDUCATION

First Class BA (Hons) Fine Art / University of Chester Valedictorian Award 2014 / Art Foundation Diploma / GCSE's in English Literature & Language (AA), Mathematics, Art & Design (A), BTEC Design & Technology.
