Profile

I am a highly motivated and enthusiastic person with a wide range of practical skills and an ability to adapt to rapidly changing situations with ease. Solid team players I understand the importance of supporting my team and go that extra mile in order to ensure all jobs are carried out to the highest standard. I am looking for an employment opportunity and will consider any role at present. In return I can offer a belief in working to the job and not the clock combined with a 'can do' attitude. I would be an asset to your company and a good addition to your existing team.
