Experience

Waiter

Asda Seaham (2 Year experience): My job within asda was in the asda cafe where my duties included preparing fresh food for customers, restocking when necessary, managing the paperwork for food that was cooked that day as well as what needed ordering for the next day. In this job teamwork was essential as communication between staff was needed to know order priority as well as how much stock was left of each food item.

Freelance Web developer

In my spare time i refresh my knowledge i gained at university by working on website creation as well as producing promotional material for my sisters barber shop. by doing this i can keep my skills i gained in university to a high standard as well as having current knowledge on those topics which is essential in a field that is rapidly changing.
