## **Professional Summery**

Started my apprenticeship with Weatherproof ltd in 1996 in commercial roofing and cladding.

2001 started my own ltd company under Ateam roofing ltd which I then changed to Metropolitan roofing services ltd in 2007, supplying labour only to the refurbishment roofing industry to sub-contractor companies such as Weatherproof, Mitie-Tilly roofing, Breyers, Hartfelt roofing, CWS, Superior, Guaranteed asphalt and Richardson.

In 2018 I closed down my ltd company to pursue a career in management with AC plc, overseeing new build roofing and cladding projects and successfully completing projects on the Bobby More Academy for Balfour Beatty, Burdette road project for Canary Wharf Construction, East Village project for Mace and Shard Place also for Mace.

## **Skills**

- Weekly site checks (PUWER, LOLER, Fire extinguisher, PPE Checks etc)
- Detailed weekly progress reports and issues/delays on site
- Enforcing and updating RAMS
- Signing off permits (Hotworks permits, Access permits etc)
- Site inductions
- Co-ordinating works and organising labour resources
- Checking works are completed to scope of works
- Ordering plant and materials and booking deliveries on site systems
- Microsoft word and excel
- Mace's Conject and Fairview systems

## **Experience**

I have experience in a wide variety of Hot melt and Torch on felt systems eg Bauder Langley Soprema IKO, Radmat etc as well as cold applied roofing systems IKO, Triflex, Proteus etc, As well as Slating and Tiling. EWI render and cladding installations. Liaising with main contractors on both new build and refurbishment projects such as Mace, BAM, Bouygues, Ardmere, Miltiplex, United Living, Lawtech, Lakehouse, Rydons.
