Profile

Motivated and enthusiastic I recently decided to shape my future towards a career in IT. I recently started my MSc in Information and Communication Technology and my intentions are to pursue a career in a dynamic and stable organization that has strong business culture and social values. My aspirations are to interact and learn from a team of experienced staff, gain more experience, as well as prospects for a happy society in terms of growth and development.

- Excellent time management skills
- Excellent writing & communication skills
- A "Can Do" attitude
- Thinking out of the box mindset
- Fast-Learner

Education & Qualifications

Master of Science in Information and Communication Technology (ICT), Anglia Ruskin University, Cambridge, United Kingdom, Jan. 2018 - present

MSc in ICT is a total change and addition to my life-long interest for the Information Technology field. The knowledge being acquired and new skills are a great addition to my future career.

Modules: Developing Web Applications (DI), Software Implementation (DI), Computer Systems and Servers (DI), Secure Systems (M), Research Methods (DI).

Bachelor's Degree in Business & Tourism, Babeş-Bolyai University, Romania, Oct. 2011 – July 2014

Tourism broadened my view of the world, the more knowledge and diversification the more wisdom and experience to achieve life goals.

Certified Travel Agent & National Guide, Babeş-Bolyai University, Romania, Oct. 2012 – July 2013

Baccalaureate diploma, Technician in Economic Activities, Colegiul Economic "Nicolae Titulescu", Romania, Sept. 2007 – July 2011

Volunteering History

- Former member/tour guide at Cluj Guided Tours, Romania. (Facebook: @clujguidedtours)

Being a volunteer tour guide and organising Thematic Walking Tours in the historic city Cluj-Napoca, granted me the opportunity to meet many interesting people from around the world. The experience was a bountiful one especially at a social level.

- Former member of Asociatia de Ecoturism Opaitul Rodnei, Romania.

As a member of Asociatia de Ecoturism Opaitul Rodnei I enhanced my planning, making decisions, and problem-solving skills, organizing group games and planning activities during the club's adventure summer camps.
