EDUCATION

JULY 2005

TELECOM TECHNICIAN, PTTR – MAIL AND TELECOM COLLEGE - BUCHAREST

Vocational College Diploma

JULY 2008

OSSD, NTCI – TORONTO
Ontario Secondary School Diploma

SKILLS

- Autodidact and efficient learner
- Strong Technical Abilities
- Strong communication and language skills
- Strong leadership and ownership
- Teaching, Guidance and Counseling
- Proven Technical and Business Experience

TOOLS

- RunDeck, Jenkins, ControlTier
- Chef, Ansible, TerraForm, Docker
- AWS, ESXI, Vsphere, KVM, XenServer, Rackspace
- GIT, SVN, SourceTree
- APIs, Scripting, REST, SSL Certs, Vulnerability Scanning, Package Management, Alerting and Monitoring, Incident Management, GDPR guidelines.
- Linux, Windows, RedHat, CentOS, Gentoo, Ubuntu, Slackware, Mandriva/ Mandrake.
- IPTables, IPFW, pfSense, IPv4, IPv6, Routing, OSI Layers, NIS, LDAP, SSL, SSH, SELinux, AppArmor, SAMBA, NFS, NAS, SAN, RAID, iSCSI.
- BASH, Python, Ruby, PowerShell, BAT, Excel, VCL, TCL Expect, JSON.
- NAS, Blades, HP switches, Cisco routing, Cisco voice hardware.

ACTIVITIES

- **2012**   ITIL Foundation Certification

  APMG-International

- **2010**   RHCE (Red Had Certified Engineer)

  RedHat Inc.

- **2008**   FIRST Fellow Team member

  For Inspiration and Recognition of Science and Technology Non-Profit

HOBBIES

- Self-Improvement and Education

- Driving

- Cycling

- Trekking

- Traveling

- Electronics and Automation

Attending courses on Coursera, Google Developer Program, Lynda.
I own a Mazda Miata NB.
I cycle to work and back and maintain an overall healthy addiction to cycling.

Currently working on a home automation project based on ESP32 and Arduino hardware.
