# Ebisan Sakpere

International Business Management Graduate with Overseas Placement and Languages

I am a young graduate 2:1 Upper Second degree from Manchester Metropolitan University in International Business Management (BA) Hons with an overseas work placement. I am a mature, responsible and hardworking individual, who always strives to achieve the highest standard possible, with excellent communication skills (also through Spanish) and the ability to relate to a wide range of different people. Confident and very enthusiastic individual who is always keen to learn, also have the ability to work effectively within a team and handle difficult situations without guidance. Trustworthy, punctual and committed to customer satisfaction.
